How forest communities are using the Community Forest Resource Rights (CFRR) provision in the FRA to reclaim their ownership rights September 22-23, 2022, Bhubaneswar, Odisha

Limited seats – please apply immediately

Since 2012, there has been a significant rise in the number of forest communities and villages demanding community forest resource rights (CFRR). As more forest communities demand the right to take charge of their forests, state governments and the forest bureaucracy remain reluctant to let go. We invite you to a two-day Regional Media Briefing Workshop in Bhubaneswar for a discussion on the subject.

The workshop is being jointly organised by the CSE Media Resource Centre and Vasundhara, and is based on a recent cover story by Down To Earth.

PLEASE NOTE

- Travel and boarding-lodging of all shortlisted participants will be arranged and paid for by CSE.
